Some features

- one semester courses ⇒ **but often overloaded,**
- courses are ECTS valued ⇒ **but not objectively,**
- elective courses are introduced ⇒ **but sometimes without the real sense,**
- continuous assessment (in parts),
- evidence of all partial assessments ⇒ **administrative congestion**
- evidence of classes (80% obliged) ⇒ **administrative congestion,**
- second cycle till now runs at few faculties only,
- there are no interdisciplinary studies,
- mobility is weak, just few professors from Slovenia and Italy, and few foreign students engaged in whole semester,
- doctoral studies only on ICT study program, joined with University of Paderborn – Germany
